* This figure can be misleading. This does not mean the family did not know the kids are AHCCCS eligible. The application asks applicants to indicate the kids in household for whom they are applying and the kids who are already AHCCCS eligible. However this question is frequently left blank or answered incorrectly.

* This number does not agree with the number of kids discontinued for non-payment of premiums, because some children who were in households that failed to pay premiums were actually discontinued for another reason. Children discontinued solely for non-payment are reinstated if payment is made in full before month-end.

* This number does not agree with the number of parents discontinued for non-payment of premiums, above, because some were also discontinued for another reason and are included in that count. Those discontinued solely for non-payment are reinstated if payment is made in full before month-end and are also not included in the count under reasons for discontinuance.
